

METALIENT
INDUSTRIES PVT LTD

CUTTING-EDGE METAL SPINNING

ENGINEERING | CUSTOMIZED | AFFORDABLE

Over 50 years and three generations of experience in metal forming technologies, supporting innovation with high-quality metal formed products and CNC-based metal spinning solutions.

Prototyping

Mass Production

CNC Metal Spinning + Deep Draw

MATERIALS WE WORK WITH

Aluminium / Brass / Copper / Lead:
0.5mm - 12mm

Carbon Rolled (CRC):
0.5mm - 4mm

Stainless Steel:
0.8mm - 3mm

INDUSTRIES WE SERVE

- Aerospace & Defense
- Power Generation & Electronics
- Domestic
- Entertainment
- Medical & Pharmaceutical
- Automobile & Racing Technology
- Industrial Heating/Cooling
- Heavy Machinery & Control Systems
